

Primary Physical Education and Sports Premium 2019 – 2020

Following the 2012 Olympics the government has given each school extra sports funding through Sports Pupil Premium. In our school this will amount to £20,730 and we intend to use it to improve pupils' participation in sport and fitness activities ensuring children gain a good understanding of what a healthy lifestyle means. We feel that this is the most effective and efficient way for the funding to have a long lasting and positive effect on future healthy lifestyle choices and physical development of children within our school.

Wentworth's goals

- Hiring outside agencies to work alongside teachers when teaching PE e.g. The FA and Dartford Football Club.
- Have systems in place to track young people's participation in physical activity.
- CPD for staff to develop their knowledge and delivery of PE & Sport.
- Encouragement of PP children to participate in physical activity.
- Improving existing resources/equipment for teaching PE. Training for support staff including Mid-day supervisors on active lunchtimes.
- Provide opportunities for less active young people to participate in physical activity e.g. Use of urban gym, Immersive room, daily mile track, B & C team competitions.
- Providing places for pupils for after school sport clubs.
- Use in house notice boards/ digital systems / Twitter to promote school games.
- Providing children sports activities/skills to participate during lunch times.
- Lunchtime sports coach to promote pupil organisation of sports activities.
- Increasing participation in school sport.
- Providing opportunities for children to compete (i.e. in tournaments and fixtures between the local cluster of primary schools).
- Provide positive playtimes with the continued support of play leaders and buddies.
- To promote an interest in how to be fit and healthy including though cooking lessons, assemblies on healthy eating, outdoor gym and a range of sports clubs.

- To provide opportunities for students to lead, manage and officiate in sporting activities.

The impact will be measured by:

- A greater confidence in the delivery of high-quality gymnastics, dance and games lessons.
- A deeper understanding of the expectations of the Primary PE curriculum.
- Increased participation in PE and Sport, including links to local clubs and organisations.
- Increase in the inclusion of pupils with physical difficulties in accessing the PE curriculum.
- Children having a greater knowledge of how they can stay fit and healthy.
- Increased participation in physical activity using outdoor fitness equipment.
- To maintain School Games Gold award.
- Increased pupil participation in the schools extended curriculum.
- Promotion of inter house and staff vs pupil competitions.

Impact of Sports Premium 2018-2019

Lunchtimes

All MDS feel that lunchtimes will run more smoothly, safely and actively now that new zones and equipment have and continue to be implemented.

CPD

Ongoing CPD is in place so that new staff are able to access quality dance and gymnastic material and previous staff developed further, gaining greater confidence and understanding.

We have a range of new P.E equipment to help improve active playtimes and lunchtimes even further and to help resource the school.

An artificially grassed outside area has been developed in KS2 incorporating a stage and easily accessible music to encourage the development of dance and gymnastic routines. Children have the choice of a range of areas to use at lunchtimes including the new area created for KS2 children.

Staff have received training in the use of the outdoor gym enabling it to be fully utilised in P.E. and games lessons as well as breaktimes. Staff have a range of lessons plans support this facility.

The immersive room

The immersive room is regularly accessed by children in and out of curriculum time. The development of gross motor control is focussed on specific groups of children. Less active children are targeted to attend interactive sessions to increase their level of activity.

Current Clubs for Sport and PE:

Dance Club	-	Years 1-6
Racquet Club (Badminton and Table Tennis)	-	Years 3-6
Boys Football Club	-	Years 5 & 6

District Sports

Please see www.ddpssa.com for the latest results from the football and netball leagues.

A wide range of coaches support teachers in delivering high quality PE lessons across the school.

Yr3 & Y5 attend swimming lessons at Dartford Fairfield Pool.

Early Years have a PE session every week and also daily outdoor learning with gross and fine motor skill activities as part of their curriculum.

Every year, Y6 have the opportunity to go on an outdoor adventurous weekend at PGL Windmill Hill, Sussex.
